Applicants and students should be aware that:

- The work can be arduous and physically demanding because of long hours standing over a stylist's chair, a treatment bed or sitting at a manicurist table
- There will be exposure to various chemicals and vapors that may cause allergic reactions or could be harmful if used incorrectly
- The practice of safety and infection control is essential for effective and successful performance within the industry
- Methods of compensation vary and may include straight salary, salary plus commission, straight commission, sliding scale commission, retail commission or independent contracting (renting space and equipment from an existing business).

PHYSICAL SAFETY DEMANDS OF THE PROFESSION

The institution educates students on the following physical demands essential to the beauty industry. Students must be able to perform these demands, with or without reasonable accommodations (as appropriate), to participate in the program and become a graduate. Students must understand that as part of the program, there may be other necessary physical and safety requirements. The School does not discriminate against anyone based on physical or intellectual limitations. If you require a reasonable accommodation to perform these demands, direct a written request with documentation, to Larissa Catapano, School Administrator (larissa@masonanthony.com) prior to enrollment.

Some products used in the cosmetology industry may cause an allergic reaction. If you have encountered allergic reactions or are concerned about a reaction, you should consult with your physician. In addition, the profession requires that you work with sharp and/or hot instruments which could cause injury. During instruction, students will be educated on how to work with instruments and the procedure for conditions in which blood may become present.

To ensure continued success, students will need to continue to learn new and current information related to skills, trends, and methods for career development in Cosmetology and related fields. Students will be required to stand for long periods of time and perform precise work with arms and hands in a raised manner. Students must be able to physically and verbally interact with clients and staff. Students must have the ability to maintain work areas and clean and disinfect all implements, equipment and laundry that may have been used during a service. Individuals who want to become Cosmetologists must have finger and wrist dexterity, range of motion for their arms and backs and in several of the professions a sense of form and artistry. All should enjoy dealing with people and have the ability to utilize basic analytical skills to determine safe and proper use of implements and/or tools, products, disinfection specifications, and be able to follow patrons' instructions.

DRUG FREE WORKPLACE AND INSTITUTION

The institution has a zero tolerance for drugs and alcohol. No student, educator or employee may be on the institution premises or affiliate clinic under the influence of any substance. As a drug free work environment, individuals under the influence may be subject to immediate dismissal and/or removal. Students may request counseling for substance abuse and will be referred to community resources. Refer to the Annual Campus Security Report for additional information.

ANNUAL CAMPUS SECURITY REPORT

The institution updates our Annual Campus Security Report once a year. It is easily and readily accessible to all at the following link <https://www.masonanthony.com/annual-security-report>.

SEXUAL HARASSMENT, ANTI-BULLYING AND ANTI-HAZING POLICY

The institution is committed to ensuring an educational environment free of sexual harassment, sexual violence, harassment based on sexual orientation, bullying, hazing or any other form of harassment or discrimination. The institution believes that all students have a right to a safe school environment. The institution, its staff and students have an obligation to promote mutual respect, tolerance and acceptance.

The institution will not tolerate behavior that infringes on the safety of any student or staff member. A student/staff shall not intimidate, harass or bully another student/staff through words or actions. Such behavior includes direct physical contact, such as hitting or shoving; malicious gossip, verbal assaults, such as teasing or name-calling; and social isolation or manipulation.

Definition of Sexual Harassment: Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature may constitute sexual harassment when:

- Submission to such conduct is made either explicitly or implicitly as a term or condition of an evaluation of a student's academic performance, term or condition of participation in student activities or in other events or activities sanctioned by the institution.

- Submission to or rejection of such conduct by an individual is used as the basis for academic decisions or other decisions about participation in student activities or other events/activities sanctioned by the institution.
- Such conduct has the purpose or effect of threatening an individual's academic performance; or creating an intimidating, hostile or offensive educational environment.

Sexual Harassment is a violation of Section 703 of Title VII of the Civil Rights Act of 1964 as amended in 1972, (42 U.S.C. S2000e, et, Sequa.) and is punishable under both federal and state laws.

Definition of Sexual Violence or Assault: acts of sexual violence, such as rape, acquaintance rape, or other forms of nonconsensual sexual activity or violence or harassment based on sexual orientation. These acts will not be tolerated at the institution as such acts are inappropriate and create an environment contrary to the goals and mission of the institution. Any such acts will be thoroughly investigated and will subject an individual to appropriate disciplinary sanctions and/or possible action by appropriate law enforcement agencies.

It is the responsibility of all persons within the institution to ensure an educational environment free from sexually violent and/or harassing behavior. All student and staff are expected to report incidents of sexual harassment, sexual violence or assault and harassment based on sexual orientation.

The institution's administration is the designated Sexual Harassment Officer responsible for investigating complaints of sexual harassment, sexual violence, harassment based on sexual orientation, and alleged sexual harassment which has not resulted in a complaint.

Students who experience sexual harassment should be encouraged to make it clear to the alleged offender that such behavior is offensive. However, failure to comply with this provision does not defeat the investigation.

Efforts shall be made to protect the privacy of the complainants within the constraints of the law. Complainants shall be protected, to the extent possible, from retaliation. Appropriate and immediate attention will be given to complaints.

For all formal complaints of sexual harassment, sexual violence or violence based on sexual orientation, the director shall determine the action to be taken, implement the action and notify both parties of the action. A memorandum of such action will be sent to the institution's Human Resources Department. Individuals found in violation of these policies will be subject to appropriate disciplinary sanctions, including possible expulsion.

If the perpetrator of a sexual violence/assault is a student, the student will be subject to disciplinary measures by the institution. In the program of any sexual violence/assault proceedings, the victim, the victim's support person of choice, or attorney may be present.

The institution's Administration, in cooperation with the appropriate law enforcement authorities and at the victim's request, shall shield the victim from unwanted contact with the alleged assailant, including transfer of the victim to alternate classes, if alternative classes are available and feasible.

Consensual romantic/sexual relations between staff and student are not allowed and disciplinary action will result. Substantial risks are involved even in seemingly consensual sexual relationships where a power differential exists between the involved parties.

Claims of consensual romantic/sexual relationship will not protect individuals from sexual harassment charges nor guarantee a successful defense if charges are made. It is the staff member who will bear the burden of accountability because of his/her special power and responsibility, and it will be exceedingly difficult to use mutual consent as a defense.

Retaliation Prohibited

Employees and students are protected by law from retaliation for reporting alleged unlawful harassment or discrimination or for otherwise participating in processes connected with an investigation, proceeding or hearing conducted by the institution or a government agency with respect to such complaints. The institution will take disciplinary action up to and including the immediate termination or expulsion of any employee or student for engaging in any of these protected activities.

False Reports

The institution recognizes that sexual harassment frequently involves interactions between persons that are not witnessed by others or cannot be substantiated by additional evidence. Lack of corroborating evidence or “proof” should not discourage individuals from reporting sexual harassment under this policy. However, making false charges of sexual harassment is a serious offense. If a report is found to have been intentionally false or made maliciously without regard for truth, the claimant may be subject to disciplinary action. This provision does not apply to reports made in good faith, even if the facts alleged in the report cannot be substantiated by an investigation.

HOUSING AND PROFESSIONAL ASSISTANCE POLICY

The institution can recommend suitable housing in the area. However, the institution does not own or operate housing facilities. Students in need of professional advising may be referred to professional counseling in the community outside the school. A list of professional services, with contact information, is available through the administrative office and in the student restroom.

STUDENT RECORDS AND TRANSCRIPTS

Academic records are safely retained at the institution under lock and key. Records including student attendance and grades are locked up and secure. Records of academic progress are furnished to the student. One transcript is provided to students upon graduation and fulfillment of debt owed to the school. Student records will be provided to potential employers only after receipt of a written request, which has been made by the individual student. Student records are maintained for a minimum of six (6) years.

STUDENT INFORMATION RELEASE POLICY

Unless otherwise required by law, or as required for any accreditation process initiated by this institution, or by the National Accrediting Commission of Career Arts and Sciences, or in response to a directive of the Commission. No information will be released to any party without written authorization, for each request, from a student (or parent/guardian, in the case of a dependent minor), to release academic, attendance, enrollment status, financial, and/or any other information to agencies, to prospective employers, or any other party seeking information about the student. Students and parents or guardians of dependent minor students may deny authority to publish “directory information” such as name, address, phone number, etc.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The institution complies with the Family Educational Rights and Privacy Act of 1974 Buckley Amendment, Public Law 93-380 Section 438. All students' records are confidential. Students and parents or guardians of dependent minor students who are in regular attendance at the institution have the right to inspect and review the student's educational, financial, and attendance records to ensure they are accurate and factual. Students and/or parents or guardians of dependent minors should schedule an appointment with the school administrator to review the student's records.

KIT, BOOKS AND SOFTWARE RESPONSIBILITY

Students are required to use the institution's issued Kit, Books and e-learning Software. Students need to have their Kit, Books and/or personal Laptop/iPad at school daily. The kit is considered part of the student's dress code and students may be asked to either retrieve their kits, or be sent home from the day if they enter school for the day without their kit. All educational materials are the property of the School or authorized for use by Delmar Publishing. Any attempts to use these materials for any non-School sponsored activity is considered Copyright Infringement and is subject to punishment by law. If items are not at school, students will be dismissed. If items are lost, stolen or broken, it will be the student's responsibility to replace or repair that item in order to continue the program successfully.

TIME AND ATTENDANCE

Daily attendance is critical, as time management is crucial to the success of a salon professional. The institution is a clock hour school; clocking in and out is extremely important. Students are expected to clock in upon arrival, and out at the end of the day. Thirty (30) minutes will automatically be deducted from the Students' hours for their scheduled lunch break. Full-time Cosmetology and Esthetics Students will have an additional thirty (30) minutes deducted for their 3:00 PM break. The institution can only issue credit for hours that are properly documented. The institution will honor documented daily time earned. If the student does not complete shop duties at the end of the day 30 minutes can be deducted from student's hours. *IT IS THE STUDEN'S RESPONSIBILITY TO CLOCK IN AND OUT.* Students are required to clock in no later than fifteen (15) minutes after class begins. Students who arrive more than fifteen

(15) minutes late must wait until after lunch at 1pm or the next scheduled day to attend. Students are not permitted to clock in unless they are prepared to begin training for the day.

Because Mason Anthony School is a “clock hours” institution, certain federal rules require strict adherence to published program schedules. Therefore, the School uses a mobile app for Students to clock in and out to track attendance. Use of the mobile app is a required condition of program participation. Failure to follow program schedules will affect attendance.

Please keep the following in mind:

- School starts and instruction begins promptly at 9am
- Students are considered late any time after 9am
- Students are given a 15-minute grace period (for emergencies) to arrive at school no later than 9:15am
- Students who arrive any time after 9:15 MUST be sent home, and can return after lunch break at 1pm
- Students who clock in 9:00 – 9:07 will be rounded BACK to 9:00am start time
- Students who clock in 9:08 – 9:15 will be rounded FORWARD to 9:15am start time

Personal Appointments / Time Off / Buffer Hours

Students are allowed buffer hours to account for potential absences during their programs. These hours are built into each student’s contracted graduation date. Buffer hours are allocated depending on program length, on the following schedule:

- Cosmetology: 84 Buffer Hours
- Esthetics: 28 Buffer Hours
- Manicuring: 14 Buffer Hours
- Massage Therapy: 28 Buffer Hours

It is strongly recommended that Students schedule doctor’s or other personal appointments during non-class hours. Doctor’s notes for such appointments are not acceptable for requesting an excused absence. Instead, students are required to use buffer hours for these appointments. Temporary injuries and illnesses may count as an excused absence with a doctor’s note, but Students should review the Leave of Absence policy if the anticipated absence will be for more than seven (7) days. Any non-excused absences or missed hours that exceed a student’s allotted buffer hours will result in overage fees at a rate of \$10 per hour.

Student Mobile App

A Mobile App is used for Students to clock in and out and is the prescribed method for Students to monitor their total hours. A QR code is displayed at the beginning and end of each session for Students to record their hours. The app also contains other important information, such as payment plans.

Internship Hours

Review the Internship policy below, as well as the Internship Contract and supporting forms, to ensure an understanding of how to report Internship hours. Failure to do so may result in the Student not receiving Internship hours for the week, which will affect attendance.

Orientation / First Day Of School

All students who have enrolled in the School must attend the first day of class, which includes Orientation. This time includes but is not limited to payment of fees, Introduction of Staff, registration with the Ohio State Cosmetology and Barber Board, Handbook rules and expectations, a tour of facilities, syllabus overview, MindTap registration, review of Satisfactory Academic Policy, Voter Registration assistance, Annual Security Report and a Human Trafficking class.

Make Up Work

It is the responsibility of the student to complete any work missed because of absences. Since much of your training is hands-on through demonstrations and practical applications it may not be possible to make up missed work. Any assignments not made up will be marked as a 0% and may affect your overall grade. All required classes must be passed with at least 75%. Required classes may have to be retaken if a passing grade is not achieved. All missed tests/quizzes must be taken before the student moves on to the next chapter and/or assignment.

INTERNSHIPS

Internships, for the purposes of Mason Anthony curriculum, are defined as working in an actual salon or spa under the guidance of a licensed professional (defined as a licensed professional in practice for at least five years). Hours worked count as “clocked hours” and thus can replace in-class hours for the purposes of graduation. For day students, the internship hours must take place during the same timeframe as the student’s regular course schedule, and may not exceed the daily maximum hours allowed in a student’s schedule. For night students, internship hours may be scheduled outside of class hours with approval from School administration.

Internships are not a standard part of the curriculum, but are available for Students who feel they are ready to practice their skills in a real-world environment.

Prior to applying for an Internship, hours must be verified by School Administration. The Internship must be approved by the State Board of Cosmetology.

Application Process

1. Discuss the possibility of an Internship with your Instructor.
2. If your Instructor feels you are ready for an Internship, the Student submits the request available in the Student Portal.
3. The request will be reviewed by School Administrator, who, after granting School approval, will submit the request to the State Board of Cosmetology.
4. Once the State Board has approved the Internship request, a Student Badge will be created for the Student.
5. The Student Badge will be made available to the Student at the Front Desk. The Student must complete the Internship Reporting form as a condition of receiving the Student Badge.
6. Students will also be given a Student Internship Record of Hours to document time worked during the Internship.

Reporting Hours Worked

At the end of the week – even if there are no hours to report, scan or take a picture of the Student Internship Record of Hours each week and email it to frontdesk@masonanthony.com by 6:00 PM each Friday.

Failure to do so may result in the Student not receiving Internship hours for the week, which will affect attendance.

Revocation Of Internship

Internships may be revoked for the following reasons:

1. Failure to email the Student Internship Record of Hours twice.
2. Violation of any School policies, State Board policies, or policies of the salon or spa where the Internship is being held.

DRESS CODE

Students must arrive at school prepared to start services. All students must wear their Mason Anthony School shirt/sweater, nametag, black pants: 1) jeans (no rips), 2) dress pants or 3) scrub pants only and sneakers. No leggings or sweatpants may be worn. No jackets, hoodies, cardigans, beanies/hats are permitted on the clinic floor and in the classroom. NO blankets. A white or black long sleeve shirt may be worn under your Mason Anthony Shirt but may not show any graphics or lettering. Students are required to wear a name tag. All students are required to bring their kits to class every day; the kit is considered a part of the dress code. As a result, a student failing to bring their kit to class will be considered to be in violation of the dress code. Students may wear a black apron while performing services. The apron must be clean and neat, and not torn, stained or altered. Any apron that does not meet these standards must be removed or the student will be in violation of the dress code.

If a student does not follow the dress code policy students will receive an opportunity to get into dress code before being sent home.

WEAPONS-FREE CAMPUS

To ensure that Mason Anthony School maintains an environment safe and free of violence for all employees, students, clients and visitors, the School prohibits the possession or use of dangerous weapons on company property.

All School employees, students, clients and visitors, are subject to this policy, including contract workers and temporary employees, as well as visitors and customers on School property. A license to carry a weapon does not supersede this company policy. Any person in violation of this policy will be subject to disciplinary action, up to and including termination if an employee, dismissal if a student, and removal from the premises for all other persons.

"School property" is defined as all school-owned or leased buildings and surrounding areas such as sidewalks, walkways, driveways and parking lots under the School's ownership or control. This policy applies to all school-owned or leased vehicles and all vehicles that come onto School property.

"Dangerous weapon" include firearms, explosives, knives, and other weapons that might be considered dangerous or that could cause harm. All persons are responsible for making sure that all items in their possession are not prohibited by this policy.

Mason Anthony School reserves the right at any time and at its discretion to search all School-owned or leased vehicles, personal vehicles, containers, briefcases, purses, packages and people entering the property, as well as lockers, desks and other areas for the purpose of determining whether any weapon is being, or has been, brought onto the property or premises in violation of this policy. Those who fail or refuse to promptly permit a search under this policy will be subject to discipline up to and including termination if an employee, dismissal if a student, and removal from the premises for all other persons.

CONDUCT POLICY

Students must obey the Rules of the School as listed herein, the Student Code of Conduct (Attached as "Appendix A"), and the Ohio State Cosmetology and Barber Board Rules and Regulations at all times. Failure to comply may result in suspension or termination.

DISCIPLINARY ACTION

Students who violate school rules, the code of conduct, policies, or those of the State Board shall be subject to disciplinary action. Generally, disciplinary action shall be taken in accordance with a "three strike" paradigm. A first offense will result in a verbal warning; a second offense will result in a suspension (length subject to School Administrator's discretion); and a third offense will result in termination and withdrawal from the school, subject to the Termination Policy. Regardless of the number of offenses committed, the school reserves the right to escalate a punishment to a greater level of offense for conduct violations the school determines to warrant a greater level of punishment, than defined by the three-strike system. In addition, the school reserves the right to impose further sanctions when appropriate and necessary, including but not limited to withholding of certificate, or restitution.

TERMINATION POLICY

The institution may terminate a student's enrollment for noncompliance with School Policies, School Rules and/or the Code of Conduct, the enrollment contract, or State Laws and Regulations; improper conduct or any action which causes or could cause bodily harm to a client, a student, or employee of the school; willful destruction of school property; and theft or any illegal act; or if absent 14 consecutive calendar days (10 consecutive school days) without being on an official leave of absence.

LEAVE OF ABSENCE POLICY

A Leave of Absence (LOA) is a temporary interruption in a Student's program of study. LOA refers to the specific time period during a program when a student is not in attendance. A LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during a LOA. The institution may allow for one LOA per enrollment at its discretion where there is an expectation that the student will return. Students must request a LOA in advance in writing, state the reason for the leave, and include the student's signature for approval by an Administrator. The institution may grant a LOA to a student who did not provide the request prior to the LOA due to an unforeseen circumstance if: the institution documents the reason for the decision AND the institution collects the request from the student at a later date. In unforeseen LOA circumstances, the beginning date of the approved LOA would be determined to be the first date the student was unable to attend. Students must be up to date on self-payments prior to LOA approval.

The LOA, if approved, must last for a minimum of 7 calendar days and may not exceed 180 calendar days total in any twelve- month period. A student who does not return to School or has failed to request additional LOA days prior to the Scheduled Return Date will be dropped. The institution is required to take attendance and therefore the withdrawal date for the

purpose of calculating a refund is always the student's last day of attendance. LOAs may be extended up to one (1) time, and require supporting documentation to receive approval.

LOA will be considered on a case-by-case basis for medical emergencies only. A student granted a LOA that meets the policy requirement is not considered to have withdrawn, and no refund calculation is required at that time.

If approved, the official Leave will extend the enrollment contract period and maximum time frame by the same number of calendar days designated in the leave document or actually used by the student. The institution will extend the student's contract period by the same number of calendar days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties. There will be no institutional fees charged as a result of the LOA.

The school is not responsible for the equipment left at the school. The student must personally come into the school and empty their locker that has been assigned to them before taking a leave of absence. This institution is not responsible for any student property left on the premises. Equipment left in the locker will be cleaned out in 3 days after the student leaves. Items will be put in storage.

Facilities And Services For Students With Disabilities

The School does not discriminate against anyone based on physical or intellectual limitations. The School will work with students or applicants in need of reasonable accommodations to determine whether reasonable accommodations can be effective or are available. Students requesting reasonable accommodations in accordance with the Americans with Disabilities Act should direct a written request with documentation, to Larissa Catapano larissa@masonanthony.com prior to enrollment. The School will make every effort to accommodate students with special needs. All school facilities are handicap accessible.

Veterans Benefits and Transition Act of 2018, Section 103

For any students using VA Education Chapter 33 (Post-9/11 GI Bill) or Chapter 31 (Vocational Rehabilitation) benefits, while payment to the institution is pending from the VA (up to 90 days), the school will not:

- Prevent their enrollment;
- Assess a late penalty fee;
- Require they secure alternative or additional funding;
- Deny their access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.
- To qualify for this provision, such students are required to:
- Produce a VA Certificate of Eligibility or an eBenefits GI Bill Statement of Benefits by the first day of class;
- Provide the school a request to be certified;
- Provide any additional information needed to properly certify the enrollment as described in the school's institutional policies.

Student Photo and Video Consent

Students understand that Mason Anthony School is active in social media, educational content creation and print/digital marketing. As a result, there may become frequent instances where videos and photos are taken of classes, procedures, the facility, and activities. Students may also be asked to speak or be featured in a video/photo, and students may decline that

invitation. However, as a result of the collateral of video/photo conducted on an ongoing and frequent basis, Students acknowledge that their likeness may be captured. Students authorize Mason Anthony School of Cosmetology Arts & Sciences, to take, alter, edit, exhibit, distribute, and publish their photographic images/videos/audio and/or testimonials for lawful promotional materials, including print and digital advertisement and distribution. Students agree that these photographic images/videos/audio recordings and/or testimonials will remain the property of Mason Anthony School of Cosmetology Arts & Sciences and Students may/will not ever gain compensation from, access to, or rights to these photographic images/videos/audio recordings and/or testimonials. Students understand that this material may be used, reproduced, published, or republished and if, in the judgement of Mason Anthony School, used for any or all of the following purposes including but not limited to: education, training, or teaching purposes, brochures, advertisements, branding kits/packages, websites, social media platforms, video, digital applications and other sorts of electronic distribution.

Students understand that they will not be entitled to any payment, royalties, or other forms of compensation as a result of any use of the photographic images/videos/audio, and/or testimonials of their treatment(s) or procedure(s), and/or interviews concerning those treatment(s) or procedure(s).

This consent is hereby valid indefinitely from the date in which the Student signs their Enrollment Agreement. Additionally, there is not any geographic limitation to where these materials may be exhibited, published, or distributed.

GRIEVANCE PROCEDURE

In accordance with the institution's mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of the final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

- 1) The Student should discuss the concern with his/her Instructor. If the concern is in reference to the instructor, contact the Business Operations Coordinator.
- 2) If the concern is not addressed to the Student's satisfaction, the Student should register the complaint in writing on the designated form provided by the institution within 10 days of the date that the act which is the subject of the grievance occurred. The form is available at www.masonanthony.com/student-solutions/.
- 3) The complaint form will be given to the School Administrator.
- 4) The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.

- 5) If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
- 6) Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
- 7) In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness's testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee.
- 8) Students may contact the institution's regulatory agencies regarding unresolved complaints. Contact information for the institution's licensing and accrediting agency can be found elsewhere in this catalog.

NOTIFICATION OF RIGHTS UNDER FERPA

Privacy of Student Records – Family Education Rights and Privacy Act (“FERPA”)

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

- 1) The right to inspect and review the students' education records within 45 days after the day MASON ANTHONY SCHOOL receives a request for access. A student should submit to the Student Records Administrator a written request that identifies the record(s) the student wishes to inspect. A school official will make arrangements for access and notify the student of the time and place where the records may be inspected. All inquiries should be addressed to Larissa Catapano larissa@masonanthony.com
- 2) The right to request an amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the school to amend a record should submit a request in writing to the Student Records Administrator, Larissa Catapano larissa@masonanthony.com. The request must clearly identify the part of the record the student wants changed and specify why it should be changed. If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- 3) The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA

authorizes disclosure without consent. The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by MASON ANTHONY SCHOOL in an administrative, supervisory, academic, research, or support staff position; a person serving on the board of trustees; or the student and parents or guardians of dependent minors. A school official also may include a volunteer or contractor outside of MASON ANTHONY SCHOOL who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for MASON ANTHONY SCHOOL. Upon request, the school also discloses education records without consent from officials of another school in which a student seeks or intends to enroll.

- 4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by MASON ANTHONY SCHOOL to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office U.S. Department of Education
400 Maryland Avenue, SW • Washington, DC 20202

FERPA permits the disclosure of PII from students' education records, without consent of the student, if the disclosure meets certain conditions. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, FERPA requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student:

- To other school officials, including teachers within MASON ANTHONY SCHOOL whom the school has determined to have legitimate educational interests. A "school official" includes Educators, administrators, staff, counselors, attorneys, clerical staff, advisory board members, members of committees and disciplinary boards, and contractors, volunteers or other parties to whom the school has outsourced institutional services or functions. A school official generally has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer.

SATISFACTORY ACADEMIC PROGRESS ("SAP") POLICY

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Academic Year

The academic year for this institution, all programs, is nine hundred (900) clock hours.

Evaluation Periods

Students are evaluated for Satisfactory Academic Progress as follows: Advanced Cosmetology 450 (13 weeks), 900 (26 weeks), and 1350 clocked (scheduled) hours (38.5 weeks) Esthetics 300 clocked (scheduled) hours (8.5 weeks) Advanced Esthetics 75 clocked (scheduled) hours (2.14 weeks) Manicuring 100 clocked (scheduled) hours (2.66 weeks) Advanced Manicuring 50 clocked (scheduled) hours (1.33 weeks) Transfer

Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the academic year or course and/or program whichever occurs sooner.

Attendance Progress Evaluations

Students are required to attend a minimum of 75% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 75% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Maximum Time Frame

The maximum time (which does not exceed 133% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

Course	Course Scheduled Hours	Maximum Time Allowed
Advanced Cosmetology	1800 Hours	2394 Hours
Esthetics	600 Hours	798 Hours
Advanced Esthetics	150 Hours	200 Hours
Manicuring	200 Hours	266 Hours
Advanced Manicuring	100 Hours	133 Hours
Massage Therapy	600 Hours	798 Hours
Apprentice Manicuring Instructor	300 Hours	399 Hours
Apprentice Esthetics Instructor	500 Hours	665 Hours
Apprentice Cosmetology Instructor	1000 Hours	1300 Hours

All periods of enrollment count towards maximum time frame. The maximum time allowed for transfer students who need less than the full course requirements or part time students will be determined based on 75% of the scheduled contracted hours. Students who have not completed the course within the maximum timeframe must be terminated from the program. Students may then be permitted to re-enroll into the program on a cash pay basis in a manner consistent with the re-enrollment provisions of the institution's admissions policy.

Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain

a written grade average of 70% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments.

Grading Scale

Numerical grades are considered according to the following:

- 1) Theory - test scores, written assignments and projects
- 2) Practical - hands-on demonstration of skills, techniques and procedures. The grading scale is as follows:

93%-100%	4.0	Excellent
85%- 92%	3.0	Above Average
75%- 84%	2.0	Passing
0%- 74%	1.0	Failing

Determination Of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. School staff will review with students a copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations.

Warning

The School may allow for an initial status of satisfactory academic progress warning for students who are not considered meeting minimum standards for satisfactory academic progress. Probation will be allowed if after evaluation by the institution, it is determined that the student's progress did not make satisfactory academic progress during the warning or previous evaluation period; and the student prevails upon appeal of a negative progress determination prior to being placed on probation; and the institution determines that satisfactory academic progress standards can be met by the end of the subsequent evaluation period; or the institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student.

The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. You will then be required to bring your grades and/or attendance up to satisfactory levels in order maintain academic eligibility.

Students are able to make an appeal for any unusual circumstances as to why they have not made SAP. These circumstances include a long-term illness or hospitalizations of a student or family member, death of an immediate family member, or other circumstances deemed appropriate for an appeal by the Administrator. Appeals must be backed with doctor's notes or other necessary documentation. Appeals must be presented to the Administrator with all backup documentation within 7 days of the warning.

Re-Establishment Of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress by meeting minimum attendance (75%) and academic requirements (70%) by the end of the warning period at the next scheduled evaluation.

Interruptions / Course Incompletes / Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. Students who have incomplete grades at the time of their SAP evaluation will be re-evaluated once the assignments are completed.

Noncredit / Remedial Courses / Repetitions

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards. Our school does not offer summer terms. We do not have different procedures for withdrawals when passing or withdrawals when failing.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

If a student wishes to switch from one course to another within our school, credits and hours are not transferable. In pursuit of a second program at Mason Anthony School of Cosmetology, no past hours will count, and a student will begin at zero hours.
